

Tradelist

Here is my tradelist; some plates are only for trade, not for sale.

I am specially looking for:

- Diplomatic license plates from all over the world.
- Aruba A-plates with tag(!) from 1971, 1973, 1974, 1975, 1977, 1978, 1979, 1980, 1982.
- Aruba nr. 1 plates (any letter with nr. 1, like V-1, BR-1, A-1 etc).
- Swiss permanent canton: AI, AR, BL, BS, FR, GL, JU, NE, NW, OW, SO, SZ, TG, UR, VS.
- Special occasion official license plates like G20 conferences, Ontario Pope-visit, Summits, Barcelona Olympics, etc.

If you have any of these for swap please let me know.

! The colours on the pictures may look strange due to the (inside) light !
For example all the Dutch plates are the same yellow in real... ☺
